SUPERINTENDENT.

No.F.53-11/46-ODI
Government of India.
Ministry of Education.

New Delhi 3, the 1st/2nd July 1948.

Sub: Accredited American Universities and Colleges.

In supersession of this Ministry letter of even number, dated the 11th August, 1947 (No.F.2-1/46-CBE, dated the 12th August 1946 to the Federal Public Service Commission) forwarding a list of Accredited American Colleges and Institution, I am directed to forward herewith a revised list of these institutions. This list has been prepared by the former Educational Liaison Office of the Government of India in Washington, who has had direct contact with these institutions while arranging the admissions of Government sponsored candidates sent to U.S.A. under the Overseas scholarships scheme by the Central, Provincial and State Governments. In addition, he has also been arranging the admissions of private students going to the U.S.A. from India. Since most of these students have found admission to one or the other of these institutions, it is obviously necessary that all Provincial Governments and Universities should recognise the degrees obtained by them after studying at these institutions and Universities which have been found to be the best in the U.S.A. In order, therefore, to ensure a uniform policy regarding the recognition of these degrees granted by these institutions. This Ministry recommends that the names listed in the accompanying statement should be given recognition by the Universities,

University Board, Provincial Governments and Federal Public Service Commission for purposes of recruitment to the services under their control. It is requested that the replies of the Universities/Inter-University Board/Provincial Governments and the Federal Public Service Commission may be sent to this Ministry at an early date.

Mrs. J.K. Asghar
